In case it's helpful, here's the 9/2/2020 email that transmitted the letter to the Muscogee Creek Nation.

Thanks, Kelly. Was there a problem with that link? I have a vague memory of there being an issue with the link or the OA not being included.

Also Kelly, can you pull the Muscogee Creek Nation comments from the draft PA that they sent this morning and put them in a comment matrix so that we can respond to each comment directly?

Michael,

I was presenting so didn't take notes during informational webinar but maybe Tom can speak to Muscogee attendance, I know they were included in the post-webinar email providing slides. Rosemary sent them a copy of the OA on Oct 15. However, they were provided a link to FL's program submission, which included the OA, in the 9/2/2020 letter offering consultation.

Kelly and Tom,

Did we disseminate the OA prior to the webinar for review or after the webinar? Also did the Muscogee (Creek) Nation participate in the webinar? They keep claiming that the first time that they saw the OA was October 15 when we had our phone consultation with them, but I wanted to double check.
